RESPONSE TO SECOND RESTRICTION REQUIREMENT

Commissioner for Patents
Washington, D.C. 20231

RECEIVED
FEB 20 2003
TECHNOLOGY CENTER 2800

In response to the Second (Species) Restriction Requirement mailed January 10, 2003

Applicant elects Species I "capacitor(s) with at least one 'cone-shaped' plate."

Applicant has reviewed the claims and has found that claims 1-9 represent a genus group of claims, and claims 11, 12, 14-23, 25-28, 33-37, 39-43 and 45-50 are found within Species I.

The four species identified by the Examiner contain highly overlapping groups. For example, Species II describes claims 13-23, 26-28, 35-37, 40-43 and 47-50, Species III describes claims 10, 12, 17, 21, 23, 25, 27, 34, 37, 39, 41, 46 and 49, and Species IV describes claims 25-50. For this reason, Applicant requests reconsideration of the species restriction. Applicant believes that there are no clear species in claims 1-50 and requests reconsideration and withdrawal of the species restriction.

Serial Number: 09/945,555

Filing Date: August 30, 2001

Title: CAPACITOR FOR USE IN AN INTEGRATED CIRCUIT

The Examiner is invited to contact Applicant's Representatives at the below-listed telephone number if there are any questions regarding this Response or if prosecution of this application may be assisted thereby.

Respectfully submitted,

BRENT GILGEN ET AL.

By their Representatives,
